

8TH GRADE IGP MEETINGS

Will begin March 13th - April 24th

WHAT IS AN IGP?

IGP is the acronym for Individualized Graduation Plan. It's a road map to your future! The IGP includes information on your class choices, postsecondary goals, career cluster of choice, courses required for graduation and electives that coordinate with your career goals.

WHAT ARE CAREER CLUSTERS

Career clusters are broad categories of your professional goals when you leave high school. There are 16 career clusters in all. Career majors narrow down types of professions under specific clusters.

WHY IS AN IGP IMPORTANT

- To assist students/parents in exploring high school options & 9th grade course requirements.
- To explore academic possibilities, including post-secondary goals.
- To assist students in graduating on time
- To review academic progress, achievement test scores, and interest inventory scores.
