FALL 2020

Dear Pine Street PTO Families,

Pine Street Elementary School was founded in 1929 and is still making history! This year we face our own generation's historic challenge, and I can't think of a better team of educators to face the many uncertainties and uncharted waters this year will bring than our Pine Street faculty and staff. As in the years before, our PTO will continue to support and strengthen the education and well-being of all our students here at Pine Street. Thank you so much for participating in our Booster fundraising efforts and PTO membership. Your support means so much today and for the future of our school. We all learned this past spring how vital community is to our children's (and our own) well-being, and while that sense of community is often absent in our modern world – it is alive and well at Pine Street School.

#ForeverPine

Sincerely,
Juliet Wright
